Dear Mr. Harley:

I am much indebted to you for your kindness in advising me that the County Council of the County of Brant has established two scholarships in the University of Toronto to be known as the County of Brant Memorial Scholarships of the Great War 1914-1918.

I am also very happy to know that there is some prospect that the City of Brantford will establish similar scholarships.

I am sure that these scholarships will be of great value to boys and girls of those who have deserved the best that we can give them. I hope also that it will mean that a university career will be opened up to some who would otherwise not have a chance for it.

With kind regards, I am,

Yours sincerely,

President.
